More information

Who can use the service and how?

The service is for patients with long-term conditions. Your GP or a health professional such as a district nurse can refer you or you can refer yourself by completing a referral form. AJM Healthcare will check your form and offer you an appointment for a clinical wheelchair assessment.

Referral Forms are available from your GP or can be downloaded from www.ajmhealthcare.com/services/nwlondon

Opening Hours

8am to 6pm, Monday to Friday. Other times are available by prior arrangement.

Emergency Repairs

Please use the main switchboard number 0808 164 2040 for normal working hours and the out-of-hours emergency repair service.

Emergency service operating hours
